Experience

Project Based Internship cum Training	Oct 2022 – May 2024
Samyak IT Solutions Pvt. Ltd.	*Kota, India*

– Completed a live project-based internship with **Grade A+** for exceptional performance.
– Enhanced understanding of the **software development lifecycle**, debugging, and performance optimization.
– Collaborated with a team of developers on real-world projects, applying industry practices in **agile development**.
– Improved critical problem-solving, code quality, and attention to detail through hands-on assignments.

Projects

GET-A-JOB – Job Search Web Application　　⭘ GitHub

– Developed a responsive and user-friendly platform to connect job seekers and employers efficiently.
– Designed intuitive layouts in Figma, integrating **responsive web design** for mobile-first usability.
– Implemented modular and reusable front-end code to accelerate future development cycles.

E-Learning Platform – Learn with Tishaa　　⭘ GitHub

– Created a structured e-learning interface with course catalogs, lesson content, and interactive navigation.
– Applied **UI/UX principles** to enhance user engagement across devices (mobile, tablet, desktop).
– Integrated Bootstrap components for faster development and consistent styling.

Hotel Revenue and Trends Analysis　　⭘ GitHub

– Built a dashboard to analyze hotel revenue growth and parking trends across multiple years.
– Executed advanced SQL queries to derive insights, highlight growth areas, and uncover bottlenecks.
– Identified stable parking demand (2018–2019) and top-performing hotel segments to guide strategy.

Achievements

Junior Coordinator, AdVITya 2023 Sports Fest – **Led event logistics and team coordination** for 500+ participants.

Organizing Lead, New Year Celebration 2024 – **Directed event planning, execution, and engagement** for 200+ attendees.
